Description

Melissa officinalis: Melissa is a herb with rich history. It has been distinguished since ancient times and continues to this day. Its sweet, lemon-like taste that was recognized by ancient Greeks, Romans and other cultures, creates an excellent drink. Also suitable for cooking, it is well combined with soups, fish and meat.

{tip Please note::The information on the medicinal properties of herbs and diseases, which are contained in this site, originate from folk habits and traditions, speculations passed on from one generation to the next, and have not been studied scientifically in depth
